## General Terms and Conditions of this Insurance

### Claims

**You** or the **Equipment User** should look after the **Equipment** just as carefully as if there is no insurance, and carry out all reasonable measures to prevent and to minimise damage to the **Equipment**. Any act or failure on **Your** or the **Equipment User's** part that leads to (increases the cost of) a claim may be considered when **We** or the **Administrator** decides how much to pay in settlement of the claim and in such circumstances the settlement may be less than **You** would have received otherwise.

If **You** commit a fraud in relation to claim, then;

- **We** will have no liability to pay the fraudulent claim and shall be entitled to recover any payments which have been made in respect of the fraudulent claim; and
- **We** will be entitled to refuse all claims after that fraud; and
- **We** will have the right to treat the policy as being terminated at the time of the fraudulent act, and **We** may exercise this right as soon as the fraud is discovered, whether or not the policy has expired before the discovery of the fraud. If **We** exercise this right, **We** will not be liable to pay claims in respect of losses after the fraudulent act. **We** need not return any premiums to **You** which have been paid before the right is exercised; although
- **We** will remain liable for legitimate losses before the fraud.

- Details of how the **Accidental Damage**, **Accidental Loss**, **Malicious Act** or **Theft** occurred;

If a claim is accepted under this policy, payment of the **Replacement Cost** of the **Equipment** shall constitute full settlement of that claim.
